NEXT STEPS

- Signature of the Mission Charter by the regions and local authorities
- Endorsement of the Mission Charter by the Friends of the Mission
- Horizon Europe calls - [Work Programme 2023 Missions](#) adoption by end 2022
- Coordination and networking event with the Charter signatories (early 2023 – date tbc)
- Launch of Mission Implementation Platform in 2023

Charter signatories are committed to building climate resilience on the ground in an inclusive way, engaging with local stakeholders, the civil society, the business community, industry, research organisations, and citizens.

The Charter is a clear and highly visible political commitment, but is not legally binding.

EU MISSIONS

As well as the Mission on Adaptation to Climate Change, there are four other EU missions addressing global challenges in the areas of:

climate-neutral
and smart cities

restoring our
ocean and waters

healthy soils

cancer
